Hi Marcus.

I tried calling your cell phone but your voicemail is full. This is something I'd prefer to share via phone but I guess e-mail will have to do.

Unfortunately, these files are no longer available for us to "go through". A couple of weeks ago, Tony was served with a search and seizure from the FBI for your office and all the contents.

They removed everything but the desk, shelving and chairs. Not sure where to go from here.

Sorry.

Dida
